

LANGE CENTER AT BAY HARBOR YACHT CLUB | PETOSKEY, MI

Project Type:	Addition
Size:	38,000 SF
Project Schedule:	September 2008 - May 2009
Architect:	Integrated Architecture
Owner:	Bay Harbor Yacht Club

Description

Completed in May of 2009, this nearly 40,000 square foot addition serves as Bay Harbor Yacht Club's event center. With four event halls, an expansive kitchen, and large outdoor seating areas overlooking Lake Michigan, this luxurious facility is designed to accommodate events and gatherings of all sizes.

This attractive conventional steel, wood stud, and truss structure makes extensive use of wood cladding and stone veneer.
