

LOOKING FOR AN OPPORTUNITY TO BID PROJECTS FOR LAMAR CONSTRUCTION? WE'VE MADE IT EASY FOR YOU TO JOIN OUR LIST OF POTENTIAL SUBCONTRACTORS.

Advantages of Registration

Once registered, your company is eligible to submit a bid for any project publicly posted in our plan room. What's more, your company is automatically added to our database of pre-qualified subcontractors. This means you will be automatically contacted via email when public projects are posted to our plan room or if you are invited to bid a private project.

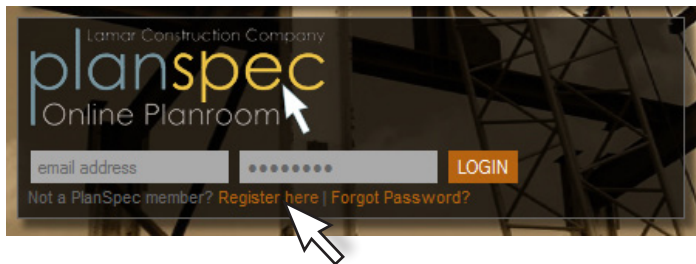

The Lamar On-line Plan Room

Whether public or private, projects posted to our plan room will include a brief description, project location, and bid due date. Drawings and other material will be available for on-screen viewing, downloading, and printing. Feel free to contact our Plan Room Technician if you have any questions or problems.

HOW TO REGISTER

STEP 1

Go www.lamarconstruction.com and click the "Register here" link in the lower left corner of the screen.

STEP 2

Select "Contractor" as your registration type. This step is important. If you select "Printer" or "Visitor" your information will not be placed into our bidders list.

Please first register your company by filling out all required fields. Then we will email your username and password to access the Plan Room. Required fields are noted with an *.

STEP 3

Complete the Contractor Information form and click "Submit." Be sure to make a note of the email address you entered and save your password. You will receive an email confirming your registration.

STEP 4

That's all there is to it! You may log in right here, or on the the Lamar Construction home page.

INVITATION CODE

If you have been provided with an Invitation Code for a particular project, you may enter it upon logging in. Simply type the code in the designated field on the left side of the screen and click "Submit"; the project will immediately appear on your project list.

You have been invited to submit a bid; your invitation code is:
