

GLEN DRENTEN

Vice President, FM and Pre-Engineered Steel | gdrenten@lamarconstruction.com

Professional Profile

Employed with Lamar Construction since 1995, Glen has worked in varying capacities, as a mason and as a member of our steel crew, prior to managing our Facility Maintenance division.

As VP of Lamar Construction's FM and Pre-Engineered Divisions, Glen manages project estimating and the deployment of the 50-person Facility Maintenance team, which includes painters, caulkers, carpenters, and pre-engineered steel workers.
