

# MIKE OBBINK

Senior Project Manager | mobbink@lamarconstruction.com

## Professional Profile

Mike Obbink has been with Lamar Construction since 1995. Mike has managed entire spectrum of project types, from basic pre-engineered manufacturing facilities to high-end offices.

As Senior Project Manager, Mike oversees and coordinates all aspects of the construction phase, and will be the owner group's primary contact throughout the duration of the project. Mike is often responsible for conducting weekly progress meetings with the clients, field management team, and subcontractors, ensuring that all parties are kept up to date.
